

**DEVELOPMENT OF PERSONALIZED PRODUCTS AND GIFTS MADE IN  
PORTUGAL.**

Gift and Craft offers to professionals, customizable and tailor-made quality products made in collaboration with the best suppliers in Portugal.

## THE HISTORY OF THE GIFT AND CRAFT CONCEPT

Gift and Craft is a French company that was founded in 2019. We offer and manufacture several categories of products elaborated in a artisanal or industrial way, based on natural raw materials, on demand, and customizable according to the image of its customers.

Our main objective is to highlight the incredible work and know-how of Portuguese craftsmen, coming from a family heritage. Our products are tailor-made in proximity and trust with our European partners, and mainly located in the Iberian Peninsula.

The offer we present is varied and offers products in the textile, leather goods, well-being, ceramics, cork, recycled paper and many others.

It is about offering to our customers premium products and “Corporate Gifts”, for events and other special celebrations.

The control of our manufacturing process is a meticulous accompaniment put in place from the confirmation of the order and until the delivery of it, in order to assure our customers the best satisfaction.

Sensitive to current environmental issues, are you looking for high-quality, durable products made on short production cycles? Gift and Craft and the “Made in Europe” are the answer that we can bring to our customers in terms of quality and environmental requirements.

Together, we work with passion!

## GIFT AND CRAFT'S MISSIONS AND GUARANTEES

- ✓ Presentation of a range of **harmonious products** from the most traditional to the most trendy,
- ✓ Origin "**Made in EUROPE**": 100% of our products are manufactured in the Iberian Peninsula (Portugal and Spain),
- ✓ Development and production of customizable products, with or without packaging,
- ✓ **Respect for a true relationship of trust and transparency** with our manufacturers as well as with our customers,
- ✓ Guarantee of a **real craftsmanship confirmed** and specialized in textiles, leather goods, wood, ceramics, porcelain ...
- ✓ Possibility of carrying out **personalized, tailor-made projects**, in accordance with the wishes and requirements of the client,
- ✓ **Meticulous follow-up** of the projects from the confirmation of the order to the delivery of the goods,
- ✓ **Strong commitment to the environment** through the use of natural products, the reduction of the number of plastic packaging, the use of natural ingredients in the manufacture of certain products (soy wax for candles, goat's milk soaps, vegetal tanning for the treatment of leather products, etc.).
